Meeting ID: 862 7341 5786

Passcode: 767195

## Session 1 Learning Objectives

- Introduce i-Tree Academy people, program, systems, and resources
- Understand fundamental concepts behind the i-Tree tools
- Understand the basic integration roadmap: i-Tree Database to Eco
- Explore how i-Tree can be used to address global challenges and opportunities

## Overview

In this session, participants will be introduced to the i-Tree International Academy program, instructors, resource experts, and the i-Tree software toolkit. We will introduce online resources and systems used during the course. In addition to introducing i-Tree Database options for international location integration, we will discuss how i-Tree can be used to help address issues and challenges facing global cities.

## Schedule

- 1) Welcome & introduction to i-Tree International Academy program concept
- 2) Academy Track 1 & 2 session learning plan framework
- 3) i-Tree Tools Exploration, global context, and international challenges

-Break-

- 4) i-Tree website & online resources
- 5) i-Tree Database: overview and relationship to tool implementation
- 6) From the Field: Resource experts discuss their experience using i-Tree around the world
